

CITRUS FRESH

Disinfectant, Cleaner, Sanitizer, Mildewstat, Deodorizer

**A concentrated
disinfectant all purpose
cleaner with organic soil
tolerance for schools,
industry and non-medical**

Citrus Fresh is a proven "one step" cleaner-disinfectant-sanitizer-fungicide-mildewstat-virucide in the presence of organic soil.

One Pass Cleaning/Disinfecting

A single application of Citrus Fresh removes dirt, grime, disinfects, is virucidal, fungicidal and inhibits the growth of mold and mildew and their odors. The hard surface disinfecting action of Citrus Fresh will reduce the hazard of cross-contamination.

Organic Soil Tolerance

Citrus Fresh effectively kills germs in the presence of blood and other organic soils. Citrus Fresh is effective against a broad spectrum of gram negative and gram positive organisms.

Economical

Citrus Fresh at 2 oz. per gallon dilution is all you need for effective disinfecting, fungicidal, virucidal, deodorizing and mildewstatic performance. Bacteria and mal-odors are quickly eliminated.
