

QUIK

Heavy Duty Cleaner, Degreaser

A powerful, fast-acting degreaser for heavily soiled and greasy surfaces.

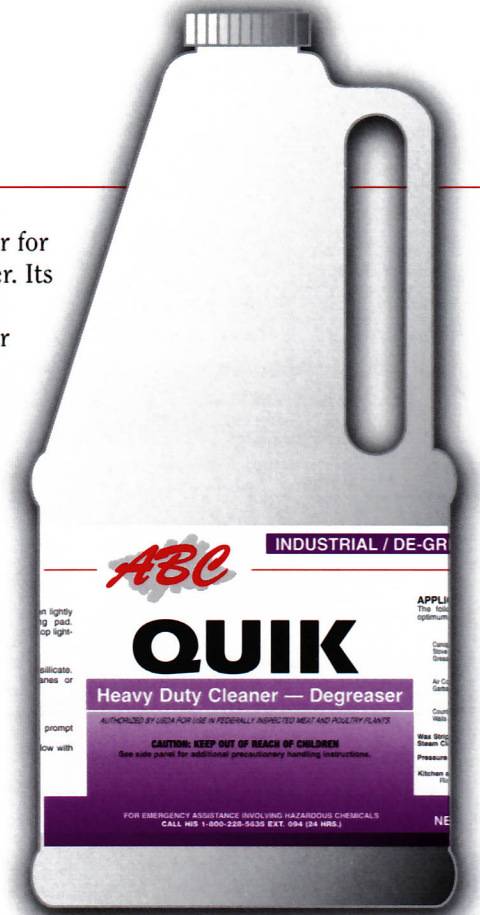

Quik is our premium industrial degreaser/cleaner for the toughest greases and soils you may encounter. Its blend of water soluble solvents, surfactants and penetrating agents quickly attack the problem for "quick," easy removal.

Versatility & Economy with Punch

Quik is highly concentrated which allow it to be diluted for broad spectrum cleaning. It will clean anything from venetian blinds to an automobile engine.

A Veteran of Many Battles

Quik is a tested and effective formula. With years of service in the marketplace, many customers have continued to use this product with confidence. Safe on most washable surfaces. When the going gets tough, you need the power of Quik.
